Coming soon: AFDA is transitioning to a new membership information database. This will allow fire districts and corporate members to easily update their information. It will also allow members to easily find primary contacts at other districts and search for information on corporate members. This should be available in the next few months and we will notify all member fire districts once the new database is available.

PAID 03-31-2021

Note for Tax Purposes: AFDA dues are not deductible as a charitable contribution for US income tax purposes, but may be deductible as a business expense. AFDA estimates that 100% of your dues are not deductible because of AFDA's lobbying activities on behalf of its members. We suggest you contact your tax advisor for specific guidance.
